Water Pollution Control Update

- **Plant**

- Hired Nicholas Sokolowski as the new swing shift operator. He is currently in training for 3 weeks prior to being placed on shift. Tim Seymour is being promoted to Maintenance Mechanic and will move to his new role once Mr. Sokolowski completes training.
- West heat exchanger is back available for use. Refractory has been re-built and installed.
- East final settling tank is back in service following annual PM.
- Andritz contract awarded for 12k hour service. Vendor is procuring parts prior to scheduling service.
- Purchased new Freightliner dump truck for sludge hauling.
- Replaced electrical motor on exhaust system for laboratory.
- Troubleshooting water leak on the potable water system.

- **Collection System**

- Replaced automatic transfer switch at the bar screen generator.

- **Misc.**

- Industrial Pretreatment Inspections are ongoing for the month of October.
