As per your request, I compiled the statistics regarding the reports generated by our Department and the Calls for Service that our Department responded to, some which generated reports and some that did not, but all that our officers responded to during the time period listed above. I have also included the Adult Traffic Arrests, the Juvenile Arrests, and the Adult Physical Arrests for the above time period.

| Reports               | Crash Reports    | Calls for Service |
|-----------------------|------------------|-------------------|
| 226                   | 24               | 1372              |
